Dear Colleagues,

A very warm welcome to the 2017 edition of Highgate Private Hospital’s Referrers’ Directory, which provides a comprehensive guide to our services, referral information and details on each of our Consultants and Specialists. You’ll see that the hospital has progressed significantly in terms of inpatient and outpatient services, as well as an increase in the number of Consultants now accessible for your patients. I hope you will find this directory both useful and informative.

Highgate Private Hospital continues to set the standards for private healthcare and over the past year have continued to enjoy very high rates of patient satisfaction.

In 2016, we were shortlisted for the Laing Buisson Nursing Practice Award and were one of five finalists from across the UK.

We continue to invest in our people, new technology, equipment and facilities, to offer our patients the best possible healthcare in the most comfortable surroundings.

I would like to thank you all for your continued support and welcome you to Highgate Private Hospital.

Feedback from you is also essential for us. If you’d like to tell us about your experience or to have a look around the hospital, we’d be delighted to organise this – please contact michael.hunter@highgatehospital.co.uk or stacey.murray@highgatehospital.co.uk and we can arrange this for you.

For further help and advice about referring to our Consultants please contact our Primary Care Manager team directly, who will be glad to help.

On behalf of the Highgate Private Hospital team, we look forward to supporting you and your patients further.

Mark Hawken
Hospital Director
Highgate Private Hospital

Telephone: 020 8347 3855

Referring to Highgate

“I was very well looked after from the moment I arrived to the time I left. I should also add that as an NHS patient I was never made to feel that I was less important than anyone else in there.”

Ms F. London
What patients can expect
Highgate Private Hospital offers rapid access to a wide range of Consultant and specialist led services, supported by multi-disciplinary teams. Patients have access to the most up-to-date technology and expertise available.

Our clinical and non-clinical teams are highly responsive, ensuring a first-class patient experience throughout every visit.

Insured patients
Highgate Private Hospital is accredited by all major private medical insurers and successfully undertakes insurer audits on a regular basis. We endeavor to make the process of working with insurers as smooth as possible for patients.

Self-pay patients
Many of our patients choose to pay for their own treatment. We offer fixed price packages for hundreds of treatments, so that patients are aware of all fees beforehand. Package prices include all nursing and medical care, any hospital stays and Consultant fees. Full T&Cs for our self-pay packages can be found on our website.

International patients
We accept patients from abroad, offering relaxing surroundings with easy access to central London. Taxis, interpreting services, and dietary menu options such as Halal are provided. Patients from abroad in need of treatment can be referred to the hospital through our Client Services team.

Private Patient Appointments & Enquiries
T: 020 8341 4182
E: enquiries@highgatehospital.co.uk

Please see page 19 for a full list of medical specialties we provide for private patients.

NHS e-Referral (Choose & Book)
Highgate Private Hospital is live on the NHS e-Referral (Choose & Book) system.

Having supported the e-Referral system since June 2012, we understand the importance of providing choice for your patients.

Services available via the NHS e-Referral (Choose & Book) system:
- Orthopaedics: foot & ankle, hip, spine, knee, hand & wrist, shoulder & elbow
- Pain Management
- General Surgery: gall bladder, hernia, lumps & bumps
- ENT

NHS Direct Access Endoscopy (Upper & Lower GI):
- Gastroscopy
- Colonoscopy
- Flexible Sigmoidoscopy

For self-pay fixed price packages please visit: www.highgatehospital.co.uk/selfpay

call us on 020 8341 4182 or email enquiries@highgatehospital.co.uk
Meet your Primary Care Managers

Highgate Private Hospital has a dedicated team of Primary Care Managers who facilitate all referral related enquiries. The team also provide bespoke practice-level educational support through our Consultants and trainers.

Stacey Murry
— Primary Care Manager, Barnet & Haringey CCGs

T: 07718 698 908  E: stacey.murray@highgatehospital.co.uk

Stacey joined Highgate Private Hospital in April 2017 as a Primary Care Manager. She has spent over 8 years in Management and Account Management roles within the Recruitment industry – both within and outside of London.

Stacey is excited about developing strong relationships with local GPs and Allied Health Professionals across the Barnet and Haringey areas.

We are delighted to welcome Stacey to the team, and she looks forward to meeting many of you over the coming months.

Michael Hunter
— Primary Care Manager, Enfield, Camden & Islington CCGs

T: 07702 140 594  E: michael.hunter@highgatehospital.co.uk

Michael joined Highgate Private Hospital in January 2017 as a Primary Care Manager. He gained a BSc (Hons) in Business Management from the University of East Anglia (UEA) in 2006.

He has spent 10 years in Management and Business Development roles in various industries – both within and outside of London.

Michael’s role is focused on relationship building between GP surgeries and Physiotherapy centres in the areas of Enfield, Camden & Islington and Highgate Private Hospital.

Michael looks forward to meeting as many of you as possible in the near future.
Sukhy Jagdev
Head of Business Development

Telephone: 07814 764 297
Email: sukhy.jagdev@highgatehospital.co.uk

Sukhy joined Highgate Private Hospital as Business Development Manager in November 2013 and took on the role of Head of Business Development in May 2016. Having undertaken a range of business development, marketing, commercial and leadership roles across both the Pharmaceutical and Healthcare industries, Sukhy brings a wealth of expertise to the Highgate team.

Sukhy’s role is focused on the development and marketing of services as well as commercial partnerships. Sukhy oversees all commercial functions at Highgate Private Hospital, including Primary Care Management and Marketing.

Christine Etherington
Director of Nursing, Clinical Services & Governance

Telephone: 020 8347 3855
Email: christine.etherington@highgatehospital.co.uk

Christine Etherington joined Highgate Private Hospital in January 2014 with considerable clinical knowledge and experience, particularly in critical care for adults and children in operating theatres. Originally from Scotland, following her qualification as a Registered General Nurse, Christine moved to Cambridge to work at Addenbrookes Hospital in the Regional Neurological Head Injury Trauma Unit.

Having worked in several large teaching hospitals across the NHS and the independent sector, both in the UK and abroad, Christine has also worked for the Department of Health as the Nurse Advisor for Europe on their Orthopaedics project.

Highgate Private Hospital has a Resident Medical Officer onsite 24 hours a day, 7 days a week
Accommodation

Patients can expect a very comfortable stay with us, in an environment that is beneficial to both rapid recovery and emotional well-being. On arrival patients will be greeted by a Client Services Liaison team member who will be responsible for all aspects of the patient journey from arrival through to discharge.

All 43 luxury patient bedrooms are equipped with:

- En suite facilities
- Flat-screen satellite television with remote control
- Complimentary Wi-Fi
- Complimentary newspaper services and toiletries
- High quality catering for all dietary requirements
- Telephone with direct dial options
- Nurse call facilities
- The option of a chaperone
How to find us

BY TUBE
Highgate Station (Northern Line) is a 10-minute walk from the hospital. Alternatively, there is a taxi rank opposite East Finchley Station (Northern Line), which is also nearby.

BY BUS
Bus routes 134, 43 and 263 run to Highgate Station, routes 214 271 and 210 run to Highgate village, and route 143 runs along North Hill. The hospital is a short walk from any of these bus stops.

BY CAR
We are not in London’s congestion charging zone. Limited free car parking is available at the hospital. However, please be aware that parking restrictions are in place from 10am – 12pm Monday through Friday on roads surrounding the hospital.
“I could not fault the hospital or staff at all, everything was explained to me, everybody was polite, helpful and efficient. I would highly recommend this hospital to anybody.”

Mr C. Hertfordshire

Our Consultant Dermatologists offer regular outpatient clinics, aiming to provide patients with the convenience of both a diagnosis and treatment at the same appointment wherever possible. As well as medical conditions such as acne, eczema and psoriasis, our specialists also treat problems such as warts, scars and age-related skin changes. A variety of therapies and treatments are available, including cryosurgery (liquid nitrogen treatment), surgical excisions and intra-lesional injections.

Our Consultant Dermatologists are:

**Dr Ben Esdaile**  
MBBS, BSc, MRCP (Derm)

A wide range of diagnostic services are available at our Imaging & Diagnostics Department, including X-ray, Ultrasound, CT and MRI Scanning.

We offer a walk-in service for plain X-ray examinations and can offer same day appointments for routine Ultrasound scans. Appointments for CT, MRI and other complex examinations will be offered for the first available appointment or an alternative time suitable to the patient’s schedule - often this can be the same or next day.

Appointments are recommended for all examinations which can be arranged by calling the Imaging Department.

Our Consultant Radiologists are:

**Dr Syed Babar**  
MBBS, MCPS, FCPS, DMRD, FRCR  
NHS Trust  
Imperial College Healthcare NHS Trust  
(Charing Cross & Hammersmith Hospitals)  
Job Title: Consultant Radiologist

How to find us

**BY TUBE**
Highgate Station (Northern Line) is a 10-minute walk from the hospital. Alternatively, there is a taxi rank opposite East Finchley Station (Northern Line), which is also nearby.

**BY BUS**
Bus routes 134, 43 and 263 run to Highgate Station, routes 214 271 and 210 run to Highgate village, and route 143 runs along North Hill. The hospital is a short walk from any of these bus stops.

**BY CAR**
We are not in London’s congestion charging zone. Limited free car parking is available at the hospital. However, please be aware that parking restrictions are in place from 10am – 12pm Monday through Friday on roads surrounding the hospital.
